When the whole nation had finished crossing the Jordan, the LORD said to Joshua, "...take up **twelve stones** from the middle of the Jordan, from right where the priests are standing, and carry them over with you and put them down at the place where you stay tonight." Joshua 4:1-3

"They will serve as a **sign** among you. In the future, when your children ask you, 'What do these stones mean?' tell them that the flow of the Jordan was cut off before the ark of the covenant of the LORD... These stones are to be a **memorial** to the people of Israel forever." Joshua 4:6-7
