## INSPIRATION: QUESTIONS ABOUT THE BIBLE

NOVEMBER 8 & 9 // PAUL SPURLOCK

“(Paul)...writes the same way in all his letters, speaking in them of these matters. His letters contain some things that are hard to understand, which ignorant and unstable people distort, as they do the other Scriptures, to their own destruction. (2 Peter 3:15b-16) NIV

1. **Isn't the Bible is full of contradictions that undermine its own authority?**
2. **How do you decide what part of the Bible is still valid for today? Doesn't the Bible have all kinds of weird commands that no one obeys anymore?**

3. Doesn't the Bible support regressive practices like God—ordained slaughter? Why is He so apparently full of "wrath"?

4. If I took the Bible seriously, wouldn't it interfere with my plans for my life?

Therefore, everyone who hears these words of mine and puts them into practice is like a wise man who built his house on the rock.

For the word of God is alive and active. Sharper than any double-edged sword, it penetrates even to dividing soul and spirit, joints and marrow; it judges the thoughts and attitudes of the heart.

Hebrews 4:12 NIV
